

Fixx Events Pty Ltd are a passionate, Central Coast based business that has been involved in the market, event, music, festival, and place-making industries for over 25+ years and our company own and operate the multiple award-winning monthly Avoca Beachside Markets and Colourbomb Décor Event Theming Services.

Fixx Events are highly regarded as event consultants, onsite managers, pop up event contract managers and leaders in event preparation, planning, and execution. Our high-profile list of clients includes Central Coast, Hornsby, Cumberland, and Willoughby Councils and we have worked with internationally recognized festivals such as Woodford Folk Festival, Laneway Festival, Defqon Festival and Stereo Sonic to name a few.

Fixx Events also specialize in creating ambience, place making and ecofriendly market villages for your event, ranging from international music festivals to local school fetes, council, and community events, developing specialist eco, sustainable and green areas, children's art and live interactive zones, publicity and festival marketing and theming.

Fixx events are also highly respected from industry peers and have won numerous awards such as Best Community Event, Arts, Culture and Entertainment Awards, Best Project, Social Enterprise and Sustainability as examples and we pride ourselves on delivering a smooth, well organized, and ecofriendly event and are passionate about creating a real buzz for your event or brand and safety is paramount as is the quality and experience of high-quality market vendors on our 7000+ database.

BOMB**
decor

We Love Color

Do you have a festival or event that needs some serious color and ambience? Fixx events have been working at festivals and events for over 20 years, and own and operate their own monthly event!

With decor starting from just **\$1200 plus GST**, we will come to you and dress your site with an abundance of flags in different styles and take it all down at the end of the event!

We do more than just flags too - so call us or contact us for a chat!
